

1. Go to Iowa.PearsonAccess.com/training-mods/ > select Training Management System.
2. Click on your name at the top-right part of the screen.
3. Select Edit Account Info.
4. Change your School Name.
5. Click Update.

Training Management System

The Training Management System (TMS) contains trainings provided by ITP and Pearson. This includes Test Coordinator trainings, Test Administration trainings, Technology Readiness trainings and Reports trainings.
